

# Résumé

## Kateryna Stanislavuk - Web Designer

### Profile

I am a student at CPCC and I am studying Advertising & Graphic Design.

My real passion is Art and Design. As a kid, I started to be interested in drawing and it becomes more than just a hobby.

I am also developing my skills in Social Media by helping public figures such as Photographers, Video Creators, Influencers promote their socials and set a website.

I decided to go deeper in the Web Design and I want to continue getting experience and learning something new every day.

### Work Experience

**Web Designer:** Self-employed, August 2023-present

Creating eye-catching and innovative websites for various companies. Working with HTML, CSS, PHP, implementing responsive web design to my projects, client collaboration by creating Sitemaps, Desktop and Mobile Wireframes

**Marketing Manager:** StrategicEdge Marketing Solutions, January 2022-April 2023

Oversaw the planning, execution, and analysis of marketing campaigns across various channels, including digital, social media, email, and traditional advertising.
